

Re-built the library by SMC

Rajkiya Utkramit MadhyaVidyalaya, Surunda, Murhu, Khunti, Jharkhand

Problem Statement

During the renovation of school rooms the library had to be closed for few days. But unfortunately even after complete the renovation the library could not be opened for a long time

Objective

To rebuilt the library so that kids will be able to read more and more books by getting the proper atmosphere and learning environment.

Process

- On 30th and 31st December 2018 the school was closed but the government teachers, teachers from CInI and a few SMC members came to school to arrange the books, charts and TLMs in the library room.
- SMC members supported in cleaning and white washing the room.
- A few days later when the wall got dry they helped in sticking the posters, charts on the wall. The process went on for long and got completed in February 2019.

Impact

The library became print rich and kids and teachers both started to issue books for reading

Challenges

A few charts got damage due to keeping it withoutwrapping.

Learning

If everyone is moving forward together then success takes care of itself
