

# Gram Sabha's Support to Reduce Irregularity

Rajkiya Utkramit Madhya Vidyalaya,  
Ithee, Murhu, Jharkhand

## Problem Statement

Irregularity among the students and lack of understanding among parents about the need for regular attendance of their kids

## Objective

Increase the daily attendance of students through creating awareness among the parents

## Process

- The teachers prepared the class wise list of absent students on a chart paper.
- Following that the issue was discussed in the SMC meeting and it was decided during the meeting that the list of absent kids will be shared in the Gram Sabha meeting. This list would be pasted on the Gram Sabha meeting venue for easy access to everyone. On the particular day the team conducted rally and visited households whose children were irregular to school. Later on they shared the list of absent and irregular students name with Gram Sabha and discussed the importance of sending kids to school regularly.
- The placard, list of absent students, banner was prepared by the school teachers and students of the school, Bal Sansad.

## Impact

The absent and irregular kids started to attend the school on a regular basis and education related issues became a routine of discussion during every Gram Sabha Meeting

## Challenges

During the home visit a few number of parents were not in their homes so the team could not meet with them.

## Learning

Gram Sabha is a wide platform to regularize the kids into school through spreading awareness on importance of education among the parents
